

Don't Say You'll Go

Don't believe it if you hear
That my heart can't be true
Don't believe it if you hear
That I've gone out on you
I can't be held accountable for everything that's said
If I did half what they say I did, Baby I'd be dead

Darlin' please don't let me hear
That you've walked out on me
Darlin' please don't let me hear
That you believe you're free
If you walk off and leave me now, Honey I'll be lost
To have you back here in my arms would be worth any cost

Chorus:

Don't say you'll go
'Cause I can't go on without your love
And I need to hold you and have you know
That we must not let go

Don't say we're through
'Cause you've heard it wrong and I must erase
These lies and your feeling that I've been untrue
Oh, we have to see it through

I don't want to see you leave
I'll get down on bended knee
I don't want to see you leave
Turn around, come back to me
You've heard what all your friends have to say, now please listen to me
There's never been anyone but you and it always will be

Chorus

I don't want to see you leave
I'll get down on bended knee
I don't want to see you leave
Turn around come back to me
Yes, turn around come back to me, I'm waiting here for you
Please turn around come back to me, I promise my heart is true
