

THE MORNING AFTER

Oh My God, what the hell did I do?
Oh My God, Who the hell are you?
I look like hell; I'm sick and I smell
How did I get here?

Oh My God, where the hell did I go?
Oh My God, does anyone know?
Was I out last night; was I in a fight?
'Cause now I'm laying here

Chorus

I hear I had a great time
I heard that I was fun
But I wish I could remember
Should I be on the run?

Oh My God, what the hell did I say?
Oh My God, do I need to pray?
I'm, not myself, I need some help
How did I get here?

Chorus

Oh, my God, what happened to me?
Oh, my God, I still can't see

Oh, my God, what should I know?
Oh, my God, where should I go?

Oh my God, what the Hell did I do?
Oh, my God, who the Hell are you?

Do I need to hide?
